PRETIRING PROFESSIONALS

Phase into retirement with WAHVE

Experience has its privileges

WAHVE leverages your years of experience to extend your career working from home. WAHVE is an innovative contract staffing talent solution that matches our retiring, experienced, trained and knowledgeable accounting, human resources and insurance professionals with jobs nationwide.

Reimagining retirement

WAHVE helps fill the gap when you want to retire but still want to work. Research shows that those who continue to work after retirement stay healthier, live longer and have greater financial freedom.

Many businesses are facing a critical shortage of experienced professionals and the retiring vintage talent can fill their staffing needs while working from home.

WAHVE keeps our valued talent at companies while helping people phase into retirement — or as we say — pretirement.

Your time your terms

- Work remotely from home — either part-time or full-time.

How can you benefit from WAHVE?

Just ask our wahves

"WAHVE was the answer to my prayers. I wasn't ready to stop working, but wanted to work differently. It's been wonderful. I can work at my own schedule. Fully retiring holds less of an appeal to me now."

JUDY RADACHY

"WAHVE is a perfect setup for me. It keeps my mind engaged without all the pressure. I have flexibility, but the work gets done. Working as a wahve is a good rewarding job and also helps me build a financial cushion."

NANCY STORKIEN

"I greatly appreciate the WAHVE program and thank all of you for finding a way to make working at home possible for those of us who may be older but in no way ready to retire. You are all wonderful. Thank you."
