# Help your staff retire the WAHVE way

## Keep your retiring professionals engaged

Companies face a critical shortage of experienced insurance professionals as baby boomers move into their retirement years. Keep valuable talent in the workforce while helping your retirees. Introduce your retiring employees to WAHVE, a groundbreaking alternative for retirement years.

WAHVE is here to help your vintage employees transition into "pretirement."

### Reimagining retirement

WAHVE is an innovative contract staffing talent solution that matches retiring, experienced, trained and knowledgeable insurance professionals with jobs nationwide.

Wahve's unique staffing solution fills the gap when people want to retire but still want to work. Research shows that people who continue working after retirement will stay healthier, live longer and have greater financial freedom.

Our approach has created a "WAHVE" of change in the business world and has been enthusiastically supported by numerous Fortune 500 companies.

### Pretirees, not retirees

WAHVE can help you provide your pretirees with:

- A soft landing as they leave the traditional work force.
- The security of continued income while working remotely from home.
- The flexibility to work on their own terms, whether full-time or part-time.
- The ability to continue performing valued work while using their insurance knowledge.

**WAHVE is a life changer for vintage professionals and a game changer for companies.**
